Hi Rob and Frank,

Hoping I could get copies of any documentation related to a case the LAPD presented to your office in connection with an Oct. 26, 2012 incident. The case was presented to your office to determine whether a driver should be charged with misdemeanor hit-and-run in connection with a car crash in Boyle Heights. I believe your office declined to file.

Can I get a copy of any rejection memos or letters filed in connection with that decision?

Thanks,

**Kate Mather**

Kate:

I need a little bit more to go on, do you have a name of the defendant?

Unfortunately, I don't. The crash happened in the 3000 block of East Side Boulevard and the officers who responded to the call and wrote the hit-and-run report were Rene Ponce and Irene Gomez. But that's about all I know.

Kate:

Our office reviews tens of thousands of cases each year and the case you refer to is from almost four years ago, under a previous administration, so unfortunately it would be nearly impossible to find.

I tracked down a last name, but I'm not sure it will help at all: Garcia. I'll let you know if I get a full name or any other info that could make a search easier. Thanks.
